**World Trade Center Miami and Informa Markets Unite for Unprecedented Culinary Synergy: Co-Located Events – Americas Food & Beverage Show & Conference and Food Hospitality LATAM.**

The World Trade Center Miami and Informa Markets LATAM announce a collaboration through an event co-location and co-promotion agreement, to redefine the culinary landscape for the years 2024 through 2026. This strategic partnership marries two distinct yet complementary visions: the Americas Food & Beverage Show & Conference, presented by the World Trade Center Miami, and Food Hospitality Latam, produced by Informa Markets.

“Participation at the AF&BS allows us to showcase our products to a wide range of distributors and buyers from across the globe, all in one place. Our presence allows us to reconnect with customers, build relationships, and fast track countless discussions, meetings and buyer opportunities that help to enhance our sales efforts.”
