GETTING YOUR **FOOD** SAMPLES READY FOR THE AMERICAS FOOD AND BEVERAGE SHOW

Most food imported into the US requires a US based FSVP (Foreign Supplier Verification Program) Importer to verify the food safety programs are compliant with FDA regulations (this includes trade show samples).

GETTING YOUR **DRINK** SAMPLES READY FOR THE AMERICAS FOOD AND BEVERAGE SHOW

Most beverages imported into the U.S. requires a US based FSVP (Foreign Supplier Verification Program) Importer to verify the food safety programs are compliant with FDA regulations (this includes trade show samples).

Craft Dummy is the recommended FSVP Importer for food, drink/beverage exhibitors attending the Americas Food and Beverage Show.

They provide complete services from importing/transportation, logistics, custom brokerage, warehousing, and delivery to the show.
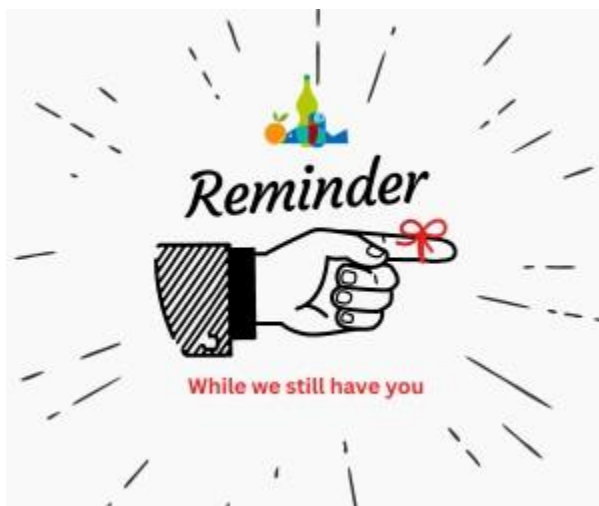

The process:

- **Stage 1**: Onboarding Materials -
  Fill out all attached onboarding material per client.
- **Stage 2**: Label Approval -
  Identify sku's for Show & Submit front & back Labels for Approval
- **Stage 3**: Logistics -
  Organize all shipments to Miami.

Exhibitor Insurance

All exhibitors are **required** to obtain insurance through BUTTINE EXHIBITION AND EVENT INSURANCE, the Show's designated insurance provider and the cost will be added to all exhibitor contracts.

This fee will be waived/refunded to international exhibitors if a valid Certificate of Insurance with the required coverage is provided to and approved by the WTCM.

For International exhibitors, the Certificate of Insurance must include worldwide liability coverage to have this fee waived.
